## Home/School Agreement

**Please read this agreement  
and share it with your child.**

At Rothbury First School, our wish for our children is to:

**'be the best that you can be by doing the best that you can do'.**

We want our children to have high expectations, independence, confidence, self-esteem and a sense of responsibility for others as well as themselves. We aim to create a caring and positive environment where children feel happy and secure. We help children to treat others the way that they would like to be treated themselves, and we aim to support each child to fulfil their potential in all subjects of the curriculum and in all aspects of school life.

**This agreement links to the parent code of conduct on the school website**
