

Introducing Read Write Inc.

What is Read Write Inc?

Read Write Inc (RWI) is a consistent, rigorous and dynamic literacy programme to teach EVERY child to read by the age of six. Using synthetic phonics, children quickly learn to blend letter sounds together following a fun and effective programme.

Why are we switching to RWI?

The RWI programme has been proven to be a very successful method of teaching every child to read and write using phonics. Evidence of this can be found in the Ofsted Report: [Reading by six: how the best schools do it.](#)

Who will be following the programme?

All children in the school in Years 1 to 4 have been assessed and have been put into groups at the appropriate level for them. Some children will follow their normal Literacy lessons due to the completion of the RWI modules.

How often will my child read with a teacher?

Children will read their RWI books every morning with a trained member of staff (either a teacher or a teaching assistant). These books will be kept in school. Your child will still bring home a reading book and it is still important that you listen to your child read every day.

Where can I find out more about RWI?

The official Read Write Inc website, www.oup.com/oxed/primary/rwi/ provides lots of useful information to help you support your child through the programme. You can also speak to Mrs Mathewson or your class teacher if you have any queries.
