

# SEPTEMBER NEWSLETTER

We are thrilled to welcome everyone back to school. Everyone has settled very well and it's lovely to see happy, smiling faces and hear the buzz of busy learning around school.

## COVID CONTINGENCY PLANS

We are all currently working in unpredictable times and we will continue to follow government guidance and amend our risk assessments accordingly to keep your child as safe as we possibly can in school. This means that we may need to revert back to previous systems at short notice. This may include staggered starts and separate bubbles. If the case numbers rise significantly in the community, we may need to ask you to wear face coverings when dropping off and collecting your child from school. We appreciate your support with this.

Please find attached a link to the latest government guidance regarding what to do if you or your child has symptoms or believe that you may be a close contact.

If we have a confirmed case in school, we will inform parents of children in the affected class/es so you are aware and can be vigilant of any symptoms that your child may develop.
