

## **Rothbury First School PE & Sports Premium**

The Government provides £150 million per year to schools to spend on improving the quality of sport and PE for all children. The funding is ring-fenced and can only be spent on PE and sport provision in schools. Rothbury First School has used this funding to ensure that all pupils have access to high quality PE, appropriate sporting competition and opportunities to lead a healthy and active lifestyle.

### **2025-26 Planned PE and Sports Premium Expenditure**

Under the Primary PE and Sport funding initiative, in 2025/26 we will receive £16,000 to support PE and sport in our school. The impact of the funding must be considered in terms of these 5 key indicators.

- increasing all staff's confidence, knowledge and skills in teaching PE and sport
- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport
