

Sports Premium Funding 2013-15

What is the Sports Premium?

The Government is providing £150 million per year, for two years, directly to schools to spend on improving the quality of sport and PE for all their children. The funding is ring-fenced and can only be spent on PE and sport provision in schools.

In 2014-2015 the school has been allocated a total of £8,435.

How this funding is being used:

We intend to use this money to:

- provide a specialist PE teacher for 3 mornings each half term to support and enhance the delivery of the PE curriculum
- provide specialist teachers to provide coaching and additional PE opportunities
- provide transport to attend sports festivals and competitions
- purchase additional PE resources
- provide professional development opportunities for staffing PE and sport
- increase opportunities for children to work with children from other schools

How the impact of this funding will be monitored:

The impact of this provision will be monitored throughout the year by the Headteacher and reported to Governors each term.
